Granting of Incentive Stock Options

Vancouver, British Columbia (TSX Venture: CMJ) – Colombian Mines Corporation (“Colombian” or the “Company”) announces that pursuant to the Company’s stock option plan that 687,500 incentive stock options, exercisable at \$0.40 per share, for a period of two years have been granted to directors, officers, employees and consultants of the Company.

About Colombian Mines Corporation

Colombian Mines Corporation is an aggressive exploration and development stage company with a distinct “first mover” advantage in Colombia and one of the largest portfolios of 100% direct owned mineral assets among comparable companies in Colombia. Focused on developing shareholder value through exploration and development of key projects, the Company is also one of Colombia’s leading “Prospect Generators” and applies an aggressive business model of organic growth through exploration while leveraging shareholder value through strategic alliances. Colombia is widely recognized as a highly prospective, under-explored country with exceptional mineral potential. Further information can be found on our website at www.colombianmines.com.
